Accura HealthCare Celebrates Bancroft Facility for Achieving Deficiency Free State Survey

[Bancroft, Iowa | June 21, 2024] – Accura HealthCare is proud to announce that Accura HealthCare of Bancroft has earned a deficiency free state survey from the Department of Inspections and Appeals (DIA). This exceptional accomplishment highlights the facility’s unwavering commitment to providing the highest levels of quality care to their residents.

The state survey, conducted by the DIA, is a rigorous review process that evaluates skilled nursing facilities on a wide range of criteria including resident cares, safety, and overall facility management. Achieving a deficiency free survey is a rare and distinguished honor that emphasizes a facility’s adherence to the strictest standards of excellence in the healthcare industry.

Accura HealthCare CEO & Founder, Ted LeNeave, stated: “We are incredibly proud of the team at Accura HealthCare of Bancroft for their commitment and dedication. This achievement is a testament to our purpose of caring for others. While providing care is of the utmost importance, ensuring that residents feel safe and are nurtured within an environment they are comfortable in is as equally important. Accura HealthCare of Bancroft’s deficiency free status reflects the collective efforts of its skilled staff, who continuously strive to improve the quality of life for their residents.”

The leadership team at Accura HealthCare of Bancroft attributes this success to a strong and positive work culture, continuous education, and a commitment to resident-centered care. They are dedicated to maintaining these high standards and continuing to provide exceptional care for their community. Accura HealthCare remains committed to supporting its more than thirty Midwest facilities in their own pursuit of excellence, and ensuring all residents receive the highest level of care. Accura HealthCare will continue investing in staff training, facility improvements, and innovative care practices to maintain its reputation as a leader in the healthcare industry.
